

Adventurous Christians

Experience the Wonder of Christ

Seeking candidates for:

- **Camp Director**
- **Guest Service Director**

Positions opening Dec 2018.

Adventurous Christians (AC) is a ministry of Covenant Pines Ministries, which has a mission to encourage campers to take a next step in Christian faith.

Adventurous Christians provides a Christian environment where people encounter God in the wilderness and in Christian community. For over 30 years, we have done this by creating a place of refuge and a place of challenge for all people.

The refuge comes through the natural beauty of our property. Located right on the doorstep of the Boundary Waters Canoe Area in Northern Minnesota, you'll be brought face to face with the incredible wonder of God's creation.

The challenge comes in our guided trips through the Boundary Waters. Our wilderness trips create experiences where campers are pushed out of their comfort zone. We are not an outfitter, but a Christian guiding ministry.

AC is a primitive, year-round wilderness camp with guided canoe trips during the summer and weekend retreats during the school year. The Boundary Waters Canoe Area is a national destination and our canoe trips reflect this, while our retreats groups are predominantly Midwestern.

Adventurous Christians, located near Grand Marais, MN is poised for growth with several new buildings and a 3-year trend of increased camper utilization.

Resume deadline is October 31st. Late submissions will be reviewed as they are received.
