WHY CAMP?

Sending a child to camp is a big decision. At CPBC we make these four promises to ensure that your camper has a positive and significant experience.

SAFE

We take steps to ensure that your camper is emotionally, spiritually, and physically safe while they are in our care.

FUN

Your camper will have a blast! We spend months planning games and activities for them to enjoy.

GOSPEL

Your camper will hear the gospel message of Jesus Christ and be encouraged to take a next step in their Christian faith.

EXPERIENCE

Your camper's time at camp will be more than just a fun getaway. It will be an experience they will never forget.

CHANGES TO SUMMER CAMP COMING IN 2021

FLEX WEEK

We will be offering two weeks of camp for students entering grades 4-8. We will actually be running two separate programs that week – one for grades 4-6, and another for grades 7-8. The individual programs will be smaller than a typical week of camp, but following the same schedule and program. This is a great option for parents who want to send household siblings to camp the same week.

CAPACITY AND PROGRAMMING

This summer we will be running camp at a reduced capacity. Our program will also look different than years past to ensure health and safety for all campers. We know camp will still be a great experience and we are looking forward to being creative in this way!

JR STAFF

We have decided to put a pause on our Jr. Counselor Program this summer in an effort to make more space for campers. We will offer this program again once we are able to run camp at a larger capacity. In the meantime, high school students are encouraged to apply for our SWEAT Discipleship Program.

JUNIOR STAFF

This summer, with an attempt to create more space for campers we are offering one Jr. Staff Program - Our SWEAT Discipleship Program.

SWEAT

(Entering Grades 9-12)

SWEAT team members get a backstage peek at what it takes to make CPEC run. They'll help with the daily tasks around camp as well as work on special work projects and some program fun! SWEATers will have the opportunity to work alongside, learn from, and be in community with our summer staff team. They'll also have intentional discipleship time each day to unpack what serving for Christ is all about and dive deeper into community together. SWEAT team members will grow deeper in their faith as they learn what servant leadership is all about in a small community with other high school students.

JUNIOR COUNSELORS

(Entering Grades 10-12)

We are putting a pause on this program for 2021, but hope to offer it again in the future.
