Change a Life

YEAR-END
CAMPAIGN 2021

**The vision statement
of Covenant Pines
Ministries reads:
“To Change A Life.”**

We desire to create camp experiences that lead to life impact and change. Testimony to how God impacted campers is a significant measure of our ministry effectiveness. Throughout the year our staff collect stories and quotes from campers and parents.

“My son came home from Adventurous Christians changed.”

“It was more than I could have dreamed. My granddaughters are different. They are actively living out their faith.”

“Our son grew so much by being on summer staff at CPBC.”

“I experienced God in a new way.”

“Our time at Silver Beach renews our soul.”

I want to Thank You for your support of Covenant Pines Ministries during COVID-19. Your prayers, participation (when allowed) and financial gifts have sustained our ministry and allowed us to look to the future. New

retreats are being offered, new buildings are in the planning stages and current facilities are being updated. Why? Because of your support and our vision to **Change A Life.**

As we approach year-end, I encourage you to make a financial gift to Covenant Pines Ministries. Your gift will ensure that future lives will be changed by God. I ask that you prayerfully consider how you can help us reach the goal of raising \$100,000 by December 31st. Each gift assists in the fulfillment of our vision for your child, grandchild, church member or yourself.
